

ENERGY REVOLUTION

Authentic flavour profiles for energy drinks

Energy Revolution

Consumers all over the world are implementing the consumption of energy drinks into their daily routine, fuelling product developments beyond a mental and physical boost. From classic to trendy flavour profiles, Bell offers a wide range of matching taste varieties for energy drinks, quenching consumer's thirst towards authentic but at the same time novel taste experiences.

Classic

Vigoratingly familiar yet uniquely robust with a balance of sweet and tangy notes.

Berry Twist

Luscious berries intertwine in a delicious symphony of sweetness and tanginess.

Watermelon Punch

A juicy and tropical taste profile that captures the essence of summer.

Peach Fuzz

Ripe, velvety peach notes make for a gentle yet refreshing taste experience.

Pineapple Swirl

An authentic, tropical, creamy swirl of ripe and juicy pineapple notes that leaves you craving for more.

Blueberry

A rich, vibrant taste profile with a perfect balance of sweetness and tartness.

Icy Energy

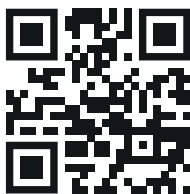

Chilling refreshment meets electrifying energy in a harmonious fusion of flavours.
