

EXTREME FUSION

Mouth-popping flavour profiles
for beverage products

Extreme Fusion

Extreme fusion flavours are set to redefine the drinking experience by blending unexpected ingredients for bold, adventurous taste sensations. These innovative combinations push the boundaries of flavour, mixing sweet, bitter, cooling and spicy notes to create a truly one-of-a-kind beverage, catering to the daring consumer who craves excitement in every sip.

Frozen Fire Mango

Sweet, tropical notes of ripe mango meet with a fiery, icy heat. The smooth, juicy mango flavour bursts onto the palate, quickly followed by a spicy, cooling sensation that ignites the senses.

Hot Tonic

Combination of the crisp, bitter bite of tonic water with a fiery, warming kick, creating an intense, thrilling contrast of sharp and spicy for a bold, adventurous taste experience.
